Note: A ✓ means 100% of this benefit is paid. **+Only applicants first eligible for Medicare before January 1, 2020 may purchase Plans C, F, and high deductible F.** This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Every company must make Plan "A" available.

1 - Plans F and G also have a high deductible option which require first paying a plan deductible of \$2300 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plans F and G do not cover the separate Foreign travel emergency deductible. High deductible Plan G does not cover the Medicare Part B deductible. However, high deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

2 - Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 - Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

♦ Medicare Select Plans G and N contain the same benefits as standardized Medicare Supplement Plans G and N, except for restrictions on your use of hospitals.
